A PUBLICATION OF NORTH COAST CO-OP

## MARCH 2025

### February 2025 Board Report by Roger, Board President

The February Board meeting was held at the Jefferson Community Center, with 5 of 7 Board members attending; along with the general manager, and one member.

The Board is moving forward with developing a way that better preserves the elections when candidates drop out during the course of an election (as it has happened frequently during the last few elections).

Informal discussions revolved around redevelopment of a newsletter; and consideration of "Policy Governance," as a way of Board governance. More to come on both subjects.

The Strategic Planning committee is just beginning it's process.

All in all, a quiet winter month for the Board.
